

Draw and color.

Students draw facial features and hair on the boy. Then they color the picture.
Fine Motor (FM): Students finger paint the picture. They glue yarn on the hair.

Trace and color.

Students trace the lines from top to bottom and color the pictures.
Fine Motor (FM): Students finger paint the pictures. They glue confetti or beans on the lines.

Tear and glue.

Students tear pieces of red, blue and yellow tissue paper. Then they glue the paper on the corresponding color splotches.
Fine Motor (FM): Students finger paint the splotches.

red

blue

yellow

Trace, match and color.

Students trace the lines from the school objects on the shelf to the same objects on the table. Then they color the picture.
